

ECC-SAL International Mooting Competition 2018

The ECC-SAL International Mooting Competition 2018, co-organised by the members of Essex Court Chambers and the Singapore Academy of Law, presents an ideal opportunity for young lawyers to showcase and hone their skills as advocates. Now in its 7th year, the contest is open to young advocates from Australia, Brunei, Hong Kong, India, Malaysia, New Zealand, Pakistan, Singapore and South Korea.

The winning team will be offered an all-expenses paid two-week internship at Essex Court Chambers in London, one of the leading commercial sets of barristers' chambers in England. Awards will also be given for the Best Speaker, Best Memorandum submitted and the Best International team.

Eligibility

Lawyers and legal service officers who have been qualified for practice for no more than three years as at 1 January 2018 are welcome to register their interest. Teams may comprise mooters from the same or different law firms and organisations, with each participating firm or organisation asked to submit no more than two teams. A reserve list of teams will be compiled in the event that more than two teams apply from the same organisation. The organisers will consider all relevant circumstances in each jurisdiction when interpreting the eligibility criteria, and the organising committee reserves the right to exercise discretion for its decisions.

Dates for the Competition

The preliminary rounds of the competition are scheduled to take place on a round-robin basis. The remaining rounds will take place on an elimination basis, starting with the Quarter-Finals. All rounds of the competition will take place in Singapore.

Preliminaries: Friday, 5 January 2018 (Two round-robin basis moots)

Quarter Finals: Saturday, 6 January 2018

Semi Finals: Saturday, 6 January 2018

Final Round: Tuesday, 9 January 2018

*dates are subjected to final confirmation

The Moot Problem

There will be one moot problem with two issues, set out in stages. The moot problem will be based on a case in the Singapore International Commercial Court (SICC) incorporating the SICC rules, subject only to contrary provisions in the Mooting handbook. The moot problem and Mooting handbook, which contains the rules of competition, will be released once registrations have closed.

The Preliminary Rounds and Quarter-Finals will be based on a first-instance hearing before the SICC. The Semi-Finals and Final Round will be based on an appeal from the SICC to the Singapore Court of Appeal. A judgment forming part of the moot problem will be released for the purposes of the later rounds of the competition.
